

Option #1 -Standard Soy Polish Remover*
Minimum Order -5 Gallons(5-Gallon Drum)
Base cost: \$380.00 (\$76.00 per Gallon)

Option #2 - Soy Polish Remover with Vitamins A, C & E*
Minimum Order -5 Gallons(5-Gallon Drum)
Base cost: \$380.00 (\$76.00 per Gallon)

*Adding an Essential Oil to the formula is optional and adds a cost of \$27.00 per gallon, per percentage. Adding 1% essential oil is typical, with the exception of Grapefruit oil which requires 2% to get the true fragrance.

I would like to add an Essential Oil to the formula for additional cost of US \$135.00(\$27 per Gallon).

1% Essential Oil: _____ 2% Essential Oil (Required for Grapefruit) : _____

I do not wish to add an Essential Oil to the formula.

NOTE: Pricing does not include cost of filling, imprint or labels.
